Good Morning

I can confirm I am in agreement to go to committee.

1 member will be living at 2. In small part, playing our part in relieving the housing crises that presents its self in our country for first time buyers. There is direct access to both properties, through a gate thus not affecting highways, parking or noise in anyway.

If successful in our application childminding will not take place at number 4.

It should also be made very clear that 16 places is the absolute maximum and there will occasions when this will not be met. There is absolutely no intention what so ever of the business growing above this number in the future, just to ensure everybody understands and is clear.

Many Thanks

Mark

Good Afternoon,

Can you please confirm agreement to the requested extension of time so we know which committee to refer it to.

Please also clarify if the family members who will be working will all be living at no.2? Also will this be additional to the current childminding business at no.4 or will this cease and the children will all be oved to no.2

Good afternoon

I was aware it was not on the August agenda and it was looking like September. You say referred to the planing committee, is this a different procedure?

thanks mark
