NORTH ELEVATION

EAST ELEVATION

WEST ELEVATION

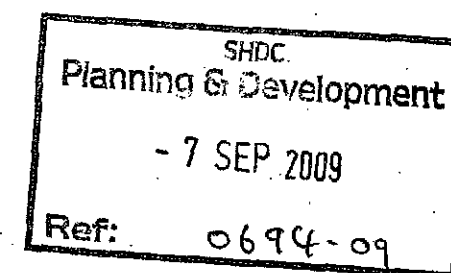

SOUTH ELEVATION

Loose panel of brickwork either propped or removed and replaced with ply faced support panel and bulged brickwork over propped to engineer's satisfaction

Unstable high level brickwork to be consolidated and rebbed, to allow for new temporary ply cap.

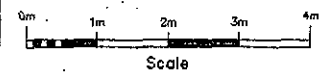

Window openings propped where required and ply renewed with vent holes

Existing ply door removed and replaced with new temporary ply door and frame. If works need to be done to lintel over for this to be satisfactory achieved, and failed brickwork above has to be removed, the door and frame plus brickwork over are to be replaced with permanent door and frame to match photographs from Mills Archive Trust, to detail.

NOTES :

All dimensions must be checked on site and any discrepancies reported to architect. Do not scale from this drawing. If in doubt ask.
