**DO NOT SCALE FROM THIS DRAWING**

This drawing is the property of Julian Warrick Architectural Design Consultant and is protected by the Copyright, Designs and Patents Act 1988. It is issued on the condition that it is not copied, reproduced, retained or disclosed to any unauthorised person either wholly or in part without the consent of Julian Warrick Architectural Design Consultant. It is not to be lent, resold, hired out or otherwise disposed of without the written consent of Julian Warrick Architectural Design Consultant. Any breach will render the infringer liable to proceedings under the Act. All dimensions must be checked on site by the contractor prior to the commencement of any work or the preparation of any shop drawings. Any discrepancies must be reported immediately to the Architectural Design Consultant. Figured dimensions are to be taken in preference to scaled dimensions. This drawing is to be read in conjunction with all relevant engineers and specialists drawings and specifications. Julian Warrick Architectural Design Consultant is not responsible for any errors or omissions contained within information supplied by others. Any discrepancies must be reported immediately to the Architectural Design Consultant. Any proposals or suggestions by contractors or suppliers must be approved by the Architectural Design Consultant before implementation. Only figured dimensions are to be taken from this drawing. Do not scale from this drawing. Any dimensions given relating to existing buildings or sites are approximate only and must be verified on site before any work is put in hand or any goods or materials are ordered. Any discrepancies must be reported immediately to the Architectural Design Consultant. This drawing is to be read in conjunction with the Specification and all relevant Structural Engineer's drawings and calculations. All dimensions are in millimetres unless otherwise stated. Work to be carried out in accordance with the Building Regulations and to the satisfaction of the Local Authority Building Control Officer. Work must not be started until Planning Permission and Building Regulation Approval has been obtained. Party Wall etc. Act 1996: Where building or other works are to be carried out in close proximity to adjoining owner's boundaries, the Building Owner is required to serve Notice on the Adjoining Owner before commencement of any work.
