DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, loaned, photocopied or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. The drawing is limited to the extent of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be priced or executed on site by G R Merchant or any of its representatives thereof. It is the client or their appointed agents responsibility to correct workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and tested etc. in strict accordance with manufacturers instruction and relevant code of practice, Materials and workmanship to comply with British standard specification or BBA certificate or European code equivalent, The Employer / Client shall ensure that the selected contractor is competent to undertake or employ competent persons in accordance with the Construction (Design and Management) Regulations as Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the
