DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photocopied or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to provide a full specification of the works. It is essential that it be read in conjunction with any other drawings and documents. This drawing must not be used for a contract or building regulation application unless signed by the Local Authority. The Architect or Merchant or any representative thereof, it is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specifications, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or EEA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that it shall be the works need to comply with the Construction Design and Management Regulations as Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably believed it's necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996' when building to close proximity to adjoining neighbours boundaries.
