DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions referred to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless promoted to the Architect so that investigations can be carried out. The Contractor is responsible for carrying out such site investigations to establish specific site conditions before foundations work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approvals. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specifications, variations to contract etc. All materials to be new unless otherwise stated and all components and articles etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard number (i.e. BSI kitemark or European) code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with the Health and Safety requirements relevant to the works and that he shall comply with the Building Regulations and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all items shown on the drawing and details. Work that may not specifically be shown but may be reasonably believed as necessary to carry out the works shall be deemed to be included. It is the client therefore responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to existing neighbors boundaries.
