DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including boundaries are considered typical unless otherwise noted to the contrary. No responsibility is accepted for any consequential problems which may be discovered during construction. Any variations required in the Architectural or Civil design arrangements may be considered. Site soil surveys are recommended to research all foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to consider a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a finished document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and assemblies etc. to be used fitted and installed etc. to and in accordance with manufacturers instructions and current code of practice. Under the Construction Design and Management Regulations it is the client's responsibility to appoint a competent person to undertake the role of planning supervisor and principal contractor. Client to ensure that the appointed principal contractor is competent with and adheres all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on this drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining properties boundaries.
