Details of the pre-application advice received

Approx. date of phone call follow up to my email of 8th June to conservation officer, regarding which application would be best to submit for solar panels and whether it would be worth submitting or if it would be immediatly rejected as in the grounds of a listed building.

Advised that application would be considered as the un-listed garage is set back from the Hall and visual impact would be limited (as seen on street view on google maps).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
