Hi Chris

I own the bungalow referred to as Tealville as well as the field, the bungalow tenant does use part of the site temporarily, this will revert to the planning site as and when needed, the boundary as shown is correct.

Regards

Phil

Hi Phil

Please see second point on letter attached from SHDC and a copy of my site plan, are you have to confirm the boundary between the site and what is being referred to as 'Teaville'?

I can sort the first point.

I look forward to hearing from you.
