IMPACT AND JUSTIFICATION STATEMENTS

- A Please provide sufficient information for the Council to assess the impact of your proposed works on the historic fabric of the building(s) / structure(s).

It is proposed to re-point the section of wall highlighted ^{in red}, or, where this is not feasible, to re-build it. In either scenario, materials used will be as close and comparable to the originals as is possible. Without these works the weather will cause further deterioration. Please see the attached photographs, which illustrate the present poor condition.

- B Please give reasons why the proposed works are necessary to secure the long term future of the building(s).

To prevent further deterioration and, eventually, the inevitable collapse of the section of churchyard wall affected.
