Conservation Area. Please give the name of the Conservation Area here: - MOULTON, Lincs

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

(Separate sheets can be attached if more room is needed)

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the tree(s) you would like to plant as a replacement.
