Application	H13-0189-21
Location	Cassini Lodge 58 Seas End Road Moulton Seas End PE12 6LD
Proposal	Residential Development of 5 dwellings - outline approval H13-0401-20

Name	Sue Armour
Address	Environmental Protection Officer SHDC

Date Submitted	24-08-21
For/Against	Comments

I have reviewed the Ground Engineering Limited 'Ground gas monitoring report Land adjacent Cassini Lodge 58 Seas End Road Moulton Seas End ref C15356A' dated August 2021. I am in agreement with the report conclusions that ground gas protection measures are not required at this location. However, the desk study report recommended chemical laboratory testing of the soils to show that they are suitable for use, and made ground soil was encountered. Is this information to follow?
