Hello David
Please see how the sign will look, this will have back lite LED bulbs, these also will be dimmable just in case we think they are too bright.

Regards

Simon

Dear Andy,

It is noted that sign 1 will be illuminated. Please provide details of how it will be illuminated (eg, trough lighting). If no response is received within the next 5 days it will be made the subject of a condition if the application is approved.

Regards.
