Dear Sir

**CONDITION COMPLIANCE APPLICATION**
**ERECTION OF A GENERAL-PURPOSE AGRICULTURAL BUILDING**
**VICKERS FARM, WASHWAY ROAD, MOULTON MARSH, SPALDING**

Further to the grant of planning permission for the above development, we have now submitted a condition compliance application pursuant to condition 4 (surface water drainage) of planning permission reference H13-1008-18 via the Planning Portal.

It is proposed to take the roof water to the adjacent field drain which is under the control of the applicant. The line of the proposed pipe and the location of the drain is indicated on the accompanying plan.

We trust you will consider the application favourably, but should you have any queries, please do not hesitate to contact us.

Yours faithfully
