Dear Lucy,

***Chapel Walk, Land South of Roman Road, Moulton Chapel, PE12 0XQ***  
**outline approval H13-0844-17.**  
**Proposed development of up to 58 houses.**

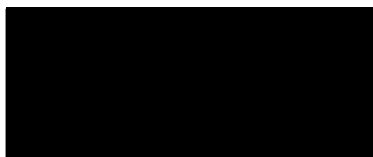

**Revised Submission of details required by Condition 21 and 23**  
**Construction Management and control of mud on highway**

**Access into the site for construction and delivery**

In addition to the provisions in the submitted construction management plan, I confirm that as of 31 May 2021, the Woodgate Road access will be closed other than for emergency access. By that time, the main Roman Road access will be open.

It is not possible to close this access any sooner than that. Activity experienced by residents will not intensify over this time as all the large plant has now been set up.

Yours sincerely,

Gordon Smith, MRTPI
