Description: Frontage Residential Development

Location : Land to west of Bramley House north side Mill Marsh Road Moulton Seas End Spalding Lincolnshire

South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

1 1. The proposed development would not comprise a sustainable form of development which national and local policies seek to achieve. To approve this proposal would have a cumulative effect on the scale and location of housing that would be so significant as to prejudice the outcome of the Local Plan review process and the ability of the local planning authority to deliver a sustainable pattern of development in accordance with the guidance in Planning Policy Guidance Note No. 3 "Housing" and Planning Policy Guidance Note No. 7 "The Countryside - Environmental Quality and Economic and Social Development". The proposal would also be contrary to Policy H4 in the First Deposit Draft Local Plan which seeks to protect the countryside from development.

The determined plans are:
1:2500/1:500 plan received on 7 Apr 00.

In the event that you wish to take the proposal further or re-submit a similar application you are advised that a flood risk assessment is likely to be required in accordance with Planning Policy Guidance Note No. 25 "Development and Flood Risk". If you require further advice on this matter please contact the Environment Agency (Mr Mike Braithwaite tel: 01522 785896).
