Scales

1/50. 1/100.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations and drains are based upon visual site conditions noted in the area. No responsibility can be accepted for abnormal conditions which may be discovered during excavations unless reported to the Architect on that basis. Design amendments may be considered, after soil surveys are recommended in respect of load-bearing values, to suitable specific site conditions before construction is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to appoint contractors, subcontractors of whatsoever to manufacturers, workmen to construct the all materials to be new unless otherwise stated and all components and materials are to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for
