Reason: In the opinion of the Local Planning Authority, the extension would constitute a sub-standard unit of living accommodation.

Note(s):

The determined plans are:
Dwg. no. 062/00/20D received 4 April 2003.
Amended dwg. no. 062/00/47A received 8 July 2003.
Amended dwg. no. 062/00/49A received 26 August 2003.

The Environment Agency has objected to the proposal given the absence of a Flood Risk Assessment (FRA) under the provisions of Planning Policy Guidance Note No. 25 'Development and Flood Risk', July 2001. However, you are advised that this Council published a Strategic Flood Risk Assessment (SFRA) in February 2003 which shows the application site to be within an area adequately defended by existing Drainage Board systems. The Council is therefore satisfied that in this instance planning permission can be approved without the requirement of a Flood Risk Assessment. The Environment Agency has been notified of this decision.

Details of the Council's SFRA are available at the Council Offices, Priory Road, Spalding or on the Council's web-site, www.sholland.gov.uk.
