Description: Residential development.

Location : Church Lane Moulton
Spalding Lincolnshire

South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

1 The proposal is for development on a greenfield site and in the Council's opinion is not a sufficiently sustainable location for housing. Notwithstanding that the site is allocated for housing in the Local Plan, Moulton is a village with limited facilities where access to jobs, shops and other services would be mainly by car. The proposal would thereby be contrary to national policy guidance on sustainable patterns of development, in particular that in Planning Policy Guidance Note No. 3 "Housing", and to the aims of policies in the South Holland District Local Plan (1998), as updated by the Council's Interim Rural Housing Planning Statement Policy H2A, and in the emerging Lincolnshire Structure Plan which seek to concentrate housing development in urban areas and achieve a more sustainable pattern of development.

2 Furthermore, the proposal would also be contrary to Policy H3 in the First Deposit Draft Local Plan which, in combination with Policies H1, H2 and other policies, seeks to achieve a more sustainable pattern of housing development in South Holland. To approve this proposal would have a significantly cumulative effect on the scale and location of housing that would prejudice the outcome of the Local Plan review process and the ability of the local planning authority to deliver a sustainable pattern of development in accordance with the guidance in Planning Policy Guidance Note No. 3 "Housing" and Planning Policy Guidance Note No. 7 "The Countryside - Environmental Quality and Economic and Social Development".
