DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose without the permission of G.R. Merchant Ltd. Dimensions are to be checked on site and any discrepancies reported to the Architect. All work is to be carried out in accordance with the recommendations based upon typical site conditions related to the area. No responsibility can be accepted for dimensional conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited by the amount of information contained and does not purport to constitute a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and methods etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions not inferred extra of practice. Materials shall conform to appropriate British standard specification or BSA certificate or Barmyman Certificate where no British standard specification exists. The Contractor shall be responsible for and advise all consultants necessarily to ensure compliance with Health and Safety regulations on Building sites and Work places. The Employer / Client is advised that should this works wish to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all first & aftermix as the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
