Job Ref.	Drawing No.
813-03	02A
Date: NOV '03	Drawn: GRM
Scales: 1/50 1/100	

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, reused, photocopied or used for any other purpose without the permission of the Architect. It is the builders duty to check all dimensions on site and report any discrepancies to the Architect. All details shown on the drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design ammendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R Merchant or any representative thereof. It is the client or their appointed agents responsibilty to control workmanship, substitution of materials, adherance to specification and quality of workmanship etc.

All materials to be new unless noted otherwise. Allow for all consumables and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to, wherever British standard specification or BBA certificate or Eurobeam class equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all means the necessary to achieve compliance with Health and Safety legislation for Building sites and their clients. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably observed as necessary to carry out the works shall be deemed to be included.
