

Hand-drawn site plan of an existing building complex. The plan shows several rectangular buildings, some with internal divisions. A red line outlines a specific area, possibly a boundary or a specific zone. A blue line outlines another area. A dashed line runs vertically through the center. A road or path is shown on the right side, labeled 'FB'. Various areas are labeled: 'Garage' (top left), 'Driv & Entry' (middle left), 'Entry' (center), 'Garden' (bottom left), 'Garden' (bottom center), 'Garden' (bottom right), 'Driv' (center right), 'Garage' (center right), and 'Garden' (top right). There are also several green circles representing trees or plants, mostly along the bottom and right edges of the red-outlined area.

Hand-drawn site plan for a proposed development. The plan shows a rectangular plot with a red boundary. Inside, there are two buildings: a larger one on the left and a smaller one on the right. A driveway labeled "Drive & Turning" connects them. A "Garage" is located near the larger building. A "Garden" area is shown with several green circles representing trees. Dimensions are given: 4.2m for the driveway, 5.5m for the garage, 24.2m for the garden, and 12.0m for the garden. A "Turning" area is also indicated. The plan is titled "PROPOSED SITE PLAN" and "1/250".
