Please tell us the location of the tree(s).

Boyfield, 9, High Street, Moulton, Lincolnshire, PE12 6QB

I give six weeks' notice that I intend to carry out the work that I have described below to tree(s) that are not covered by a Tree Preservation Order but situated within a

Conservation Area. Please give the name of the Conservation Area here: - Moulton High Street

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

Species of Tree	Tree ref. number or position on site	Details of the work you propose	Why you think this work is necessary	Proposed replacement tree(s)*
Beech	Left of front of house	Tree to be removed as low as possible.	Growing in front of building, with extremely close proximity to building. Suggested by survey to remove due to long term effect of roots and potential damage to building.	N/A
Beech	Right of house.	Tree to be removed as low as possible.	Growing in front of building, with extremely close proximity to building. Suggested by survey to remove due to long term effect of roots and potential damage to building.	N/A
Cherry Tree	The side of house next to orbital window seat.	Tree to be removed as low as possible.	Growing in front of building, with extremely close proximity to building. Suggested by survey to remove due to long term effect of roots and potential damage to building.	N/A

			This tree is also growing into house causing potential damage to window seat and has pulled the guttering away from the house.	
Beech	Back garden.	To be reduced by 1/3.	Extremely large tree that is proposed to stay, however requires maintenance for safety and long term health of tree.	N/A

(Separate sheets can be attached if more room is needed)

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the tree(s) you would like to plant as a replacement.
