DO NOT SCALE FROM THIS DRAWING

This drawing is the property of the author and may not be reproduced or used in any manner without his written consent. The drawing is to be read in conjunction with all relevant specifications and engineers drawings. The contractor is to check all dimensions on site before work starts and any discrepancies are to be reported to the author. Any work carried out before these discrepancies are resolved is entirely at the contractors own risk. The contractor is responsible for obtaining all necessary approvals and consents and for complying with all relevant regulations and requirements of all statutory authorities. Any proposed variations from the approved drawings must be submitted to the author for approval before work starts. Any discrepancies between the drawings and the specification must be reported to the author. Contractors should visit the site to familiarise themselves with the existing conditions before commencing work. Dimensions are not to be scaled from this drawing. Figured dimensions are to be taken in preference to scaled. All dimensions are in millimetres unless otherwise stated. Levels are to be checked on site and any discrepancies reported to the author before work starts. Setting out dimensions are to be checked on site and any discrepancies reported to the author before work starts
