12th December 2020

Good Afternoon Craig,

I would like to confirm that the Moulton Seas End Memorial Area was discussed at the Parish Council meeting.

Cllr.Cooper has also had a look and measured up the area.

On the plan it looks to be about 9 metres deep from the kerb edge. This is slightly less than the area of grass that the Parish Council currently take care of, but that would not be a problem.

The Parish Council have no problem with taking on the ownership and upkeep of the area as shown on the map.

Please do not hesitate to contact me if you require any further information.

Kind Regards
[REDACTED]

Lawrence Wakefield
Chairman
Moulton's Parish Council
