0668/00.

Dear Sir or Madam,

Re Proposed Youth and Community Centre, Moulton Chapel.
Planning Ref: H13/0668/00

Please find enclosed some amended drawings in respect of the above approval. Due to financial reasons we are seeking to reduce costs and therefore would like to make a few minor amendments to the original approved proposals.
The footprint, positioning and site layout remain exactly the same. With regard to the appearance of the building the main change is to the double mono-pitch effect of the roof changing it to a dual pitch. The main fenestration remains the same except for replacing the first floor glazing to the front elevation with u.p.v.c. panelling (as there is no longer a first floor room) and the removal of the clerestorey windows. All the windows will now be u.p.v.c.i nstead of powder coated aluminium. We are proposing to change the structure from steel frame clad with brick to a traditional brick structure re-inforced with steel, but as you can see this will not affect the appearance significantly.
I hope that you will be able to approve these changes as an amendment to the original application.
We look forward to your response, please do not hesitate to contact me should you have any queries

Yours faithfully
Karen Bradley
