Date	FEB 2008	SLB
Scale	AS NOTED	
<p>DO NOT SCALE FROM THIS DRAWING</p> <p>This drawing is copyright and may not be altered, copied, photographed or used for any other purpose other than that for which it is issued. The Client/Contractor must ensure that all dimensions on this and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect as they arise. Any amendments may be considered. Site soil borings are recommended in respect of foundations to establish specific conditions before foundation work is undertaken. The drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is a sketch for the purposes of obtaining Planning / Building Regulation approval. This drawing may not be used as a contract document. The works will not be supervised or inspected on site by G.R.M. Ltd or any other member of the Employer's / Client's staff or by their appointed agents. Responsibility for the correct construction, installation, operation, maintenance, modification to be carried out and for the safety of the works and the safety of the public and the environment is to be the Employer's and not the Architect's and is not to be shared with the manufacturer's instructions and relevant code of practice. Making copies of drawings requires the permission of the Architect or a third copyright or European code equivalent. The Employer's / Client must ensure that the architect's contract is compliant with all applicable measures required to ensure compliance with Health and Safety legislation for Building and Work places. The Employer's / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise all of that shown on the drawing and details. Work that may not be specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot owner's overall responsibility to be aware of the Planning Bill of 1991 when building to these conditions to achieve sections boundaries.</p>
