Please tell us the location of the tree(s).
All trees are at 11 Broad Lane Moulton. Map and pictures attached

I give six weeks' notice that I intend to carry out the work that I have described below to tree(s) that are not covered by a Tree Preservation Order but situated within a

Conservation Area. Please give the name of the Conservation Area here: -

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

Species of Tree	Tree ref. number or position on site	Details of the work you propose	Why you think this work is necessary	Proposed replacement tree(s)*
1- Sycamore x 2	1	Raise crowns to 18 feet approx., to clear road path and street light. Crown thin to reduce the sail affect remove branches upto 3" thick. Dead wood removed.	The help the tree withstand gusting winds and to clear the driveways and road paths and allow better access,	
2-Hazel trees x several	2			
3-4-5-6a-7- sycamore	3,4,5,6a,7	Raise crowns to 18 feet approx.. Crown thin to reduce the sail affect remove branches upto 3" thick. Dead wood removed	Same as above plus get better light lower down.	
6-horse chestnut	6	Recommend remove to ground (fell)	The tree has been dying back over the last few years and it appears to have a serious problem as the centre has fully died off this last year. The tree is not going to recover and is now dangerous.	Same as or Oak tree preferred. Planted within the property grounds

(Separate sheets can be attached if more room is needed)

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the tree(s) you would like to plant as a replacement.

Signed..........

Date:.....8/September 2026.....

Please return this form to: Planning Department, South Holland District Council, Council Offices, Priory Road, Spalding, Lincs, PE11 2XE.

Or e-mail: planningadvice@sholland.gov.uk (Please note the completed form is put on the South Holland District Council website).
