TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H13-0860-23 **Date of Decision:** 21st December 2023

Applicant: Peloton Produce
Manor Farm
West Cob Gate
Moulton
Spalding
PE12 6QN

Location: Peloton Produce Ltd West Cob Gate Moulton Spalding

Description: Change of use of agricultural land to commercial including coldstore extension - resubmission of H13-0599-22

South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and/or documents:
4022-22 01
4022-22 02A
4022-22 03C
4022-22 04D
4022-22 05A
Application Form
Supporting information email (Received 03 November 2023)

Reason: For the avoidance of doubt and in the interests of proper planning.

3 The permitted development shall be undertaken in accordance with a surface water drainage scheme which shall first have been approved in writing by the Local Planning Authority.

The scheme shall:
· be based on sustainable drainage principles and an assessment of the hydrological and hydrogeological context of the development;
· provide flood exceedance routing for storm event greater than 1 in 100 year;
· provide details of how run-off will be safely conveyed and attenuated during storms up to and including the 1 in 100 year critical storm event, with an allowance for climate change, from all hard surfaced areas within the development into the existing local drainage infrastructure and watercourse system without exceeding the run-off rate for the undeveloped site;
· provide attenuation details and discharge rates which shall be restricted to 1.4 litres per second per hectare or provide results of infiltration testing, undertaken in accordance with BRE Digest 365, to demonstrate that the site's underlying soils have the capacity to absorb the quantity and the rate of discharge from the impervious areas of the permitted development;
· provide details of the timetable for and any phasing of implementation for the drainage scheme; and
· provide details of how the scheme shall be maintained and managed over the lifetime of the development.

No part of the development shall be occupied until the approved scheme has been completed or provided on the site in accordance with the approved phasing. The approved scheme shall be retained and maintained in full, in accordance with the approved details.

Reason: To ensure that the permitted development is adequately drained without creating or increasing flood risk to land or property adjacent to, or downstream of, or upstream of, the permitted development.

4 Noise from fixed plant and machinery shall not exceed the background noise level by more than 5dB(A) when measured as a 15 minute L(A)eq at any residential boundary not within the applicant's ownership.

Reason: To ensure that residential amenity is preserved.
This Condition is imposed in accordance with Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019 and national guidance contained within the National Planning Policy Framework, December 2023.

5 Prior to the commencement of the development hereby permitted beyond oversite, a Biodiversity Net Gain Plan to demonstrate a net gain in biodiversity on-site shall be submitted to, and approved in writing by, the Local Planning Authority. This shall be supported by a Biodiversity Management Plan setting out how the biodiversity enhancements will be managed and monitored for the lifetime of the development.

DC_FINAL_DECISION - ODB:14

Note: Development can incorporate a number of simple, low-cost measures to deliver biodiversity benefits and enhance priority habitats and species, such as, the use of bat and barn owl roost boxes and integrating nesting opportunities into buildings. The use of swift bricks on new developments would help minimise the decline in swifts, a priority species.

Reason: To ensure that the development is able to deliver a net gain in biodiversity.
This Condition is imposed in accordance with Policy 28 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in the National Planning Policy Framework, December 2023.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

Suitable and sufficient access for fire appliances and fire fighters should be provided, the criteria of which is specified within Building Regulations 2010 Part B5. Access roads should therefore have:

· Minimum carrying capacity of 18 tonnes (Lincolnshire Fire and Rescue requires this minimum carrying capacity for hard standing for pumping appliances, not 12.5 tonnes as detailed in the Building Regulations 2010 part B5).
· Minimum 3.7m width between kerbs
· Minimum width of gateways 3.1m
· Minimum height access of 3.225m
· A turning circle, hammerhead or other turning point in a dead end access route that is more than 20m long.

These requirements may be satisfied with other equivalent standards relating to access for firefighting, in which case those standards should be quoted in correspondence.

Lincolnshire Fire and Rescue requires the installation of one fire hydrant conforming to BS750-2012 within 90m of the premises entrance in respect of this planning application to be provided at the developer's expense. Fire hydrant acceptance testing will be carried out by a Hydrant Inspector on completion and a standard hydrant marker "H" plate will be fitted nearby. Following adoption the Fire Service will be responsible for the ongoing maintenance and repairs for the lifetime of the fire hydrant.

Phil Norman
Head of Planning
South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

https://www.gov.uk/appeal-householder-planning-decision

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
