Mr. & Mrs. Peter LYON
3, Hawthorn Chase,
Moulton. PE12 6GA

11th. September, 2017.

RE: Proposed Garage Extension.

Please see attached site plan (Drawing 01) & Ground floor layout plan (Drawing 02) re dimension of proposed additional garage.

As you will see, the footings for the walls will slightly extend into your property (as discussed) but will not be visible as this will be below ground level, also the pillar to support the roller shutter will extend into your property slightly as agreed.

This is necessary to allow the proposed wall to be built in line with the boundary Line between our properties.

The maintenance of the proposed wall will be the responsibility of the owners of No.4, Hawthorn Chase.

All works will be the responsibility of the owners of No.4, Hawthorn Chase and the site left to your satisfaction on completion.

Yours faithfully,

Byron HAHN.

We have seen the plans as above and agree to the proposed garage and the footings extending into our property as shown on the plans.

Mr. & Mrs. Peter LYON
