This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 7 Before the commencement of the development hereby permitted, elevational and cross sectional plans of the building(s) at a scale of not less than 1:100 illustrating the extent of any proposed demolition and reconstruction including the proposed replacement of any of the existing roof structure and roof timbers shall be submitted to and approved in writing by the Local Planning Authority. No works of demolition/reconstruction or replacement of the existing fabric of the building(s) shall be undertaken other than those works so approved.

Note: You are advised that should it become necessary during conversion to undertake works beyond those approved by this condition then this planning permission may become invalid and the development treated as the erection of a new building which will necessitate the submission of a planning application for such. That application will be considered under relevant local planning policies and may not be acceptable.

Reason: Planning permission is only granted for conversion of the existing building(s) by virtue of the architectural and historic quality of the building(s). Significant alteration and reconstruction would be tantamount to the erection of a new dwelling in the open countryside which would be contrary to national guidance contained in Sections 6, 7 and 12 of the National Planning Policy Framework, 2012, and Policies HS7 and HS16 of the South Holland Local Plan, 2006. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.

This Condition is imposed in accordance with Policies HS16 and SG20 of the South Holland, Local Plan 2006.

- 8 Before the commencement of the development hereby permitted, a schedule and accompanying photographs of existing features of the building including doors, windows and window surrounds, roof timbers and wall plates, staircases, floor joists, and flooring shall be submitted to the Local Planning Authority. A schedule of proposed works indicating which features are to be retained, altered or the removed shall be submitted to and approved in writing by the Local Planning Authority before the commencement of the development and the development shall be implemented in strict accordance with that schedule.

Reason: To ensure that the architectural and historic integrity of the building(s) are preserved. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.

This Condition is imposed in accordance with Policies HS16 and SG20 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice OR the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
