Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

The drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including boundaries are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that redesign assessment may be considered. Site soil surveys are recommended in respect of foundations so no solution avoids site conditions before foundation work is commenced. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to oversee workmanship, substitution of materials, adherence to specification, Variations to contract etc. all essential to be here unless otherwise stated and all comments and specifications etc. to be read fully and implied etc. In strict accordance with manufacturers instruction and relevant code of practice. Measures shall compose to appropriate British standard specification or BBA certificate or Equivalent were considered. The Employer / Client shall ensure that the selected contractor is conversant with and ensures all measures necessary to achieve compliance with Health and Safety legislation for
