I write in response to your letter dated 10 October 2001 and can confirm that from the information provided on drawing number 02, planning permission will not be required for the above amended proposal.

I hope this is satisfactory.

Dear Sir

RE: PROPOSED GARAGE AT 5 WOODGATE LANE, MOULTON CHAPEL, SPALDING, Lincs
SHDC PLANNING REF: H13/0970/01

Further to the meeting on site with Mr Smith, Mr Herd and myself on the 25th September, 2001 I have been instructed by my client, Mr Herd, to formally withdraw the original application for planning permission.

I also enclose one copy of my drawing, numbered 01/25/02 re-drafted to fall within the 70 cubic metres volume which will bring it within the requirement for permitted development as discussed on site. I would be grateful if you could formally confirm that the proposal indicated in drawing 01/25/02 is permitted development so as to set my client's mind at rest and bring the job to a conclusion.

I trust this is satisfactory and I look forward to hearing from you soon.

Yours faithfully,

Peter S Lithgow MCI0B, MBIAT.
