Dear Sir

Planning Application H13/1133/94 - Landscaping Details for Loading Area, Washway Road, Moulton Marsh (Tinsley Foods Ltd)

I refer to the above application submitted by yourself.

It is considered that additional landscaping over and above that indicated should be planted in the area shown on the enclosed plan. This is bearing in mind the concrete area permitted at the rear is an extension in terms of overall use of the site and the additional landscaping will therefore help to "soften" it when viewed from the A17 trunk road.

I look forward to your response in respect of the above within the next 10 days, so that I am in a position to proceed with the application.

Yours faithfully

Dear Sir

Condition Compliance Application H13/1133/94 - Landscaping Details for Loading Area, Washway Road, Moulton Marsh, (Tinsley Foods)

I write further to the receipt of amended plans in respect of the above.

Firstly, it is noted from the plans that there still appears to be a small gap between the landscaping shown on the southern boundary and the lagoons. This should preferably be filled to form a continuous screen.

Secondly, it is noted that the soil removed to create a loading area is presently heaped adjacent to the lagoons. A convenient way of removing this may be to integrate it within the landscaping scheme in the form of small mounds (not a large bund).

I look forward to your response in respect of the above within the next 10 days, so that I am in a position to proceed with the application.

Yours faithfully

N R MIDLEN
