Dear Sirs

2 No Elderly Person Bungalows on Site of Former Property at 127 Broad Lane Moulton for Longhurst Housing Association Ltd

In connection with the above and further to the writers telephone conversation with your Mr Blacklock, we now enclose formal amendment to application with regard to the vehicular accesses and parking arrangements for the units. As discussed, it has become necessary to revise the original details due to a variation in the boundary line between the proposed development and No 129 Broad Lane which has become apparent as a result of the land registry drawing being made available which does not coincide with the original conveyance drawing provided by your authority when the land was transferred to Longhurst Housing Association.

Your earliest possible decision with regard to this amendment would be most appreciated as the scheme is on schedule to handover on 20 August 1996 and early instructions need to be given to the Contractor to enable him to complete the works regarding this matter.

We would appreciate your assistance in this matter.

Yours faithfully
