TOWN AND COUNTRY PLANNING ACT 1990

RESERVED MATTERS

Reference:	H13-1208-22	Date of Decision:	6th February 2023
Applicant:	Mr P Laud 28 Seas End Road Moulton Seas End Spalding PE12 6LD		
Location:	Adj. 48 Seas End Road Moulton Seas End Spalding		
Description:	Erection of dwelling - outline approval H13-0976-20		

South Holland District Council hereby give notice that APPROVAL HAS BEEN GRANTED for the details submitted under the terms of the outline permission, subject to any condition(s) set out below:

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans and/or documents:

1206/01
1206/02
Site Location Plan

Reason: For the avoidance of doubt and in the interests of proper planning.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at <http://planning.sholland.gov.uk/OcellaWeb/planningSearch>

The applicant has indicated that they intend to dispose of surface water via infiltration, however the viability of this proposal has not been evidenced. It is recommended that ground investigation is carried out to determine infiltration potential, followed by testing in line with BRE Digest 365 if onsite material is considered favourable for infiltration. If infiltration is not feasible at this site, following the drainage hierarchy the applicant would be expected to propose to discharge surface water to a watercourse. In this case, consent would be required under Byelaw 3. Please note that any discharge should be in line with the Non-Statutory technical standards for sustainable drainage systems (SuDS), therefore the Board is unlikely to grant consent for discharges in excess of greenfield rate.

It is noted that the applicant intends to treat foul waste using a package treatment plant, however they have not indicated how they intend to dispose of treated foul water from this development. If the applicant proposes to discharge treated foul water to a watercourse, consent would be required under Byelaw 3.

The applicant should confirm if there are any riparian owned/maintained watercourses within or adjacent to the site boundary. Should the applicant's proposals include works to alter a watercourse, or if works are proposed to alter a watercourse at any time in the future, consent would be required under the Land Drainage Act 1991 (and byelaw 4).

Head of Planning
South Holland District Council

BUILDING REGULATIONS:

This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

<https://www.gov.uk/appeal-householder-planning-decision>

<https://www.gov.uk/appeal-planning-decision>

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning-inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR the **timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
