Dear Sirs,

Re: PROPOSED RESIDENTIAL DEVELOPMENT AT REAR OF THE LAURELS, 30 SEAS END ROAD, MOULTON SEAS END FOR MRS M PRICE

In respect of the Refusal of Planning Permission ref. H13/0030/94 dated 25th April 1994, after discussions and meetings with your department a revised proposal has been designed to overcome the original reasons for refusal. The site has been made slightly smaller in order to leave a larger garden area to 'The Laurels'. A survey of trees on site has been carried out and the revised plan therefore indicates which trees are to be retained/removed.

In respect of the concern over the use of septic tanks, a percolcation test on the site had been carried out and copies of the results are included in the application to overcome this concern.

As this application is being re-submitted within 12 months of the refusal no fee is required.

Items enclosed:-

1. 4 No. copies duly completed submission form.
2. 4 No. copies drawing no 771750/2.
3. 4 No. copies Land Percolation Test Results

Yours faithfully

B. Gilham.
