For the attention of Mr David Gedney

Dear Sirs

**RE: PROPOSED ADDITIONS/ALTERATIONS TO
3 FEN GATE, MOULTON CHAPEL, SPALDING
for MRS LOCKIE**

In support of our enclosed application for the above project, and following conversations with your Mr David Gedney, we would confirm that concerns with the height of the proposed loft room over the garage do not pose a problem with either adjoining neighbours. They have no objections to the proposal and will forward written confirmation of the same accordingly.

We would also like to add that the site plan shows the depth of the site and how the additions are well set back from both adjoining building frontages. This will in reality, diminish the overall height of the loft room from the street level and considering the existing ridge height being only 1.0m lower than the proposal, they may appear the same in a perspective view.

We trust you will find the enclosed acceptable but should you require any further assistance please do not hesitate to us.

Yours faithfully

Gary R Maddison
