DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or stored for any other purposes other than that for which it was prepared without the consent of the author, who retains all rights in and over any documentation to the extent of such copyright. All work to comply with current Building Regulations and British Standard Codes of Practice. All dimensions to be checked on site by the contractor before any work is put in hand or any materials ordered. Any discrepancies to be reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherance to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or Hampshire trade equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction (Design and Management) Regulations as Principal Contractor, he must comply with the Client Duties under the Regulations and Pre-Construction Information must be issued to the contractor before the commencement of the Construction Phase. Before commencing any Work, that may not specifically be shown but may be reasonably inferred as necessary to carry out the works must be observed to be included. It is the job / sites/ erectors responsibility to be aware of the Party Wall etc. Act 1996, when building is done proximity to adjoining neighbours boundaries.
