Application	H13-1311-21
Location	11 BROAD LANE MOULTON SPALDING PE12 6PN
Proposal	Proposed extensions to dwelling and garage and proposed garden shed

---

Name	Greg Watkinson
Address	Conservation Officer
Date Submitted	26-01-22
For/Against	Comments

It would be preferable in this circumstance, given the conservation area setting that the proposed windows are timber, matching what appears from site photos to be installed in the remainder of the extant house.

Apart from this, however, I have no concerns with the proposal as the design remains in keeping with the host property and should not substantially impact upon the appreciation of any nearby heritage assets.
