8.4 Residential properties are located directly to the north and south of the site, with Hallgate and Bakestraw Gate to the east, and an agricultural field to the west.

9.0 DESCRIPTION OF THE TREES.

9.1 A plan showing the position of the existing trees on the site is included in Appendix "B" of this report, and a picture identifying the protected trees is on page 12 for ease of reference.

9.2 The "Field Notes" section below, is divided into two sections, namely the protected and unprotected trees. The notes provide detail on the individual species.

The protected trees are identified by their plastic tag numbers, i.e. 1852 to 1855, and the Field Notes correlate the tags to their TPO "T" numbers.

The unprotected trees have not been tagged, and are simply referenced to by a number on the survey plan. These numbers run from 1 to 6. No British Standard 5837 category ratings have been produced for these trees, as they
