AS INDICATED.

**DO NOT SCALE FROM THIS DRAWING**

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended to support / or foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by gr.m merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure workmanship, substitution of materials, adherence to specification, variations to approved plans and building regulations and otherwise inspect and ensure compliance and suitability on site for the intended end use of the building. Where reference is made to a proprietary product, the Contractor is to follow manufacturers instructions in appropriate British standard specification or their modification or European equivalent unless approved. The Employer / Client shall ensure that the selected contractor is familiarised with and adopts all measures necessary to achieve compliances with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that where this works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on this drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
