DO NOT SCALE FROM THIS DRAWING			
This drawing is completed and may not be traced, copied, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All works shown on the drawing including foundations are based upon ground surface conditions noted at the site. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported by the Architect so that design amendments may be considered. Site and surveying are recommended to be used as far as possible to establish specific earth conditions prior to excavation. The drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the parties any remaining variation / building legislation agreement. This drawing must not be used as a detailed construction note. The works will not be interpreted or inspected on site for its location or any representative thereof. It is the client or their appointed agent responsible to carry out verifiably independent verification of materials, adherence to specifications and variations to contract etc. All materials to be used unless otherwise stated and components and materials etc. to be used fixed and installed etc. to strict instructions with manufacturers' instructions and relevant codes of practice, conform fully conform to appropriate British standard specifications or BS standards or European standards. The Employer / Client must ensure that no essential components, materials used and aspects all measures necessary to achieve compliance with Health and Safety Regulations Building rule and third party. The Employer / Client is advised that should the works need to comply with the Control of Asbestos Disease and Management Regulations an independent Planning Supervisor will require this. The works if complete or set out to show as so showing and others. Work that may not act - clearly shown and may be necessary therefore an independent
