Dear Sirs,

Disabled adaptations - Off road hard standing - 82 Surfleet Road, Pinchbeck

Further to your e mail dated 3rd April 2024 concerning the above.

We would confirm that the dropped footway crossover will be constructed in accordance with the requirement and specification of Lincolnshire CC.

The access will be constructed in line with the Highway Authorities standard LCC standard drawings SD/11/5 Kerbed or underbed access, and SD/11/2 Precast concrete kerbs.

If you have any queries about the contents of this letter, please contact myself or another member of the Property Services Team.

Yours sincerely

David Higgs

Technical Contracts Officer
