TOWN AND COUNTRY PLANNING ACT 1990
WORKS TO A PRESERVED TREE

Reference: H14-0177-16 **Date of Decision:** 14th April 2016

Applicant: Mrs J Sanders
C/O Arbcore Tree Care Ltd
29 Northorpe Road
Donington
Spalding Lincs
PE11 4XU

Location: Adj. To Flats On Boundary Of Brayfields Pinchbeck Spalding Lincs

Description: Works to Pinchbeck TPO No. 6 1989

Detailed Description:

Application to carry out works to a mature weeping willow tree identified as T6 of Pinchbeck Tree Preservation Order No.6 1989. The tree is located on the southern edge of a drain which is adjacent to the northern boundary of the flats known as Brayfields. The tree has been previously heavily reduced/pollarded and has re-grown vigorously.

Application to reduce tree to previous cuts and remove decaying branches and dead wood.

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 That the proposed work is carried out within two years of the date of this decision unless otherwise agreed with the District Council.

2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

The ideal time to pollard willows is apparently mid-winter, pruning in mid-summer can remove winter food reserves which in cases of severe pollarding of very old trees can cause dieback.

Please note that the removal of dead wood can be undertaken without the need to submit a formal application for works as long as to British Standard 3998 2010. The removal of dead wood is included in the description for completeness.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England at their Lincoln office on 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England at their Lincoln office on 03000 603900 before works proceed.
