South Holland District Council hereby give notice that PERMISSION HAS BEEN GRANTED for the development in accordance with the application and plans submitted, subject to any condition(s) set out below:

- 1 The development must be begun not later than the expiration of five years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990.

- 2 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

- 3 The caravan shall be removed from the site within a period of two years from the date of this permission or within a period of one month from the date the dwelling is occupied, whichever is the sooner.

Reason: The site is not considered suitable as a permanent caravan site and the development may cause injury to the amenity of the locality if permitted permanently. This permission has been granted only in view of the circumstances of the case to meet the special needs of the applicant and this condition is therefore imposed to enable the Local Planning Authority to review the situation.
