PROPOSED EXTENSION, ALTERATIONS AND NEW GARAGE AT THE MAZE NORTH DROVE SPALDING for MR & MRS C BROOKS

DO NOT SCALE FROM THIS DRAWING

The drawing is the property of the Architect. No unauthorised copying or reproduction of the drawing is permitted. The Architect is not responsible for any errors or omissions in the information supplied by others. Any discrepancies must be reported to the Architect before work commences. Figured dimensions are to be taken in preference to scaled dimensions. Dimensions must be checked on site by the Contractor before any work or fabrication is put in hand. Any variations from the drawings must be agreed with the Architect. Any discrepancies between the drawings and the Specification must be reported to the Architect before work commences. The Contractor is responsible for the safety of all persons employed on the site and for compliance with all relevant Health and Safety Legislation. The Contractor is responsible for ensuring that adequate temporary bracing is provided to maintain the stability of the structure during construction. The Contractor is responsible for obtaining all necessary Building Regulation approvals and for the giving of all notices required by any statutory undertaker. All dimensions relating to existing buildings are approximate only and must be checked on site before any work is put in hand. Where the Architect has been employed to prepare Contract documents, the Contractor is to comply with the Construction (Design and Management) Regulations as implemented by the Client. The Contractor is responsible for the adequacy of any temporary or permanent support to excavations. Work that may not specifically be shown is to be of a workmanship similar to that described for the like work. Materials are to be used strictly in accordance with the manufacturer's recommendations. Products specified by proprietary name may be substituted with the Architect's approval. Party Wall etc. Act 1996: when building or close proximity to adjoining neighbour's boundaries, you must serve notice on the adjoining owner. Work cannot start on site until the notice is agreed. Building Regulations 2010 affected by the works. The General Contractor must be Asbestos Aware & to the latest codes of practice
