- 1 The works must be begun not later than the expiration of three years beginning with the date of this consent.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 All replacement brickwork utilised in carrying out the development hereby permitted shall match as closely as possible that of the existing wall to be repaired in terms of the type of brick(s), mortar mix and method of bonding.

Reason : In the interests of the architectural and visual integrity of the overall development, the integrity and appearance of the listed structure itself, and the character and visual amenity of this part of the Conservation Area in which it is set. This Condition is imposed in accordance with Policy SG20 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

- 4 A one metre square freestanding panel of brickwork showing the type of brick to be used in the construction of the development hereby permitted shall be constructed on site and approved by the Local Planning Authority before the commencement of the development hereby permitted beyond oversite. All new brickwork shall match that of the approved panel in terms of the type of bricks used, the method of bonding, mortar colour and pointing style. The brickwork panel so constructed shall be retained on the site until the development hereby approved has been completed.

Note: The applicant is advised that all mortar shall be hydraulic lime 3.5 NHL at a mix ratio of 3-1.

(The developer may upgrade the lime to NHL 5 if the weather is particularly cold to add further protection from frost).

Sand will be Heritage sand mixture with aggregates 3mm to nominal.

All mortar will be brushed back flush to reveal brickwork arris and stone aggregate within the mortar mix.

Reason : In the interests of the architectural and visual integrity of the overall development, the integrity and appearance of the listed structure itself, and the character and visual amenity of this part of the Conservation Area in which it is set. This Condition is imposed in accordance with Policy SG20 of the South Holland Local Plan, 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

Notes:

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
