Hi Tracey

Please could you confirm if this development got permission, would it have any Permitted Development Rights?

Also I note a response date for this application was the 03 June as it was amended plan.

As you know we try and fulfil shorter time scales where we can but due to some questions on this one we will provide our response by the 14 June, allowing us our 21 statutory days. Hope you find that acceptable.

Please note I am on leave Thurs and Friday, but back in the office Monday if you would like to discuss any of the above.

Kind regards

Sharon Nolan
