ENSIGN

OLID BRASS DECORATIVE COWL LIGHT

Hand-crafted. Built to last. Crafted in solid brass, Ensign lights are a statement of genuine quality. Polished by hand and protected against the weather by 2 coats of clear laquer.

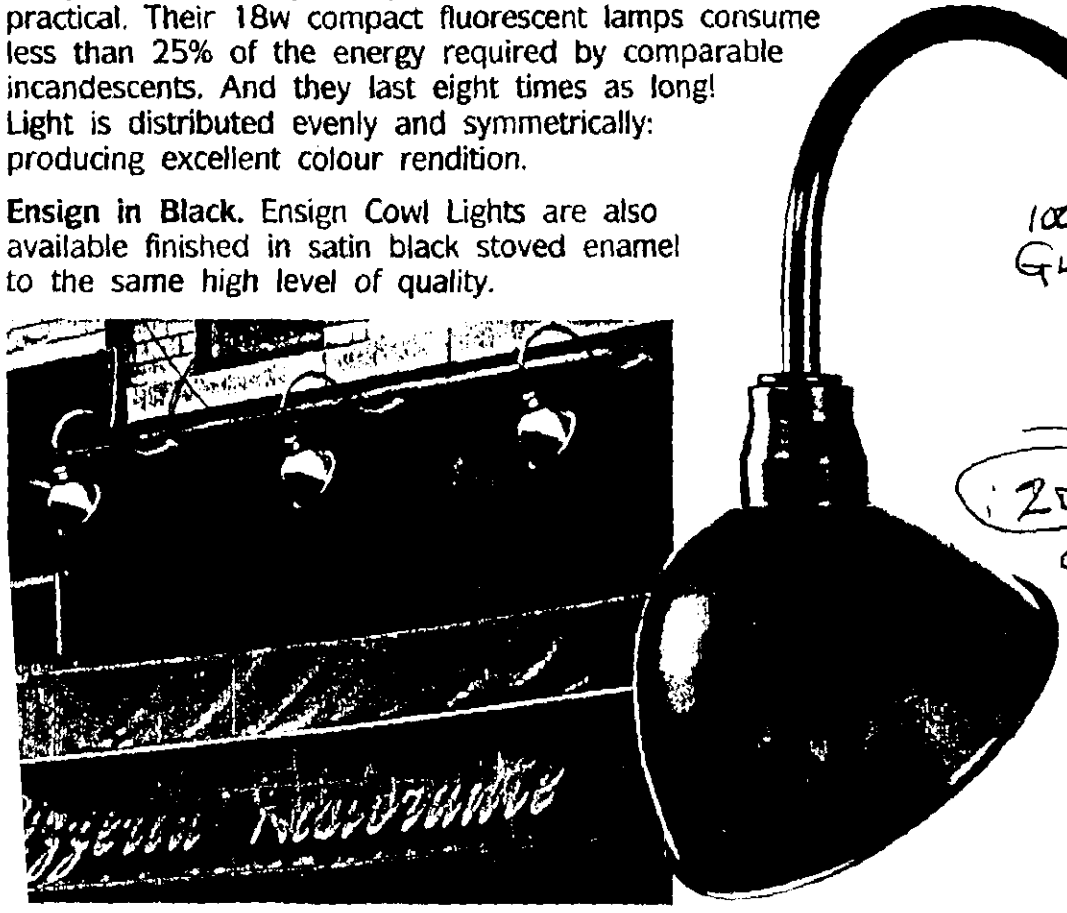

The answer wherever appearance counts. These superior units will enhance the external presentation of hotels, restaurants, pubs, shops, and commercial premises ... anywhere that takes a pride in its appearance.

Long-life, low energy lamps. Ensign lights are also highly practical. Their 18w compact fluorescent lamps consume less than 25% of the energy required by comparable incandescents. And they last eight times as long! Light is distributed evenly and symmetrically: producing excellent colour rendition.

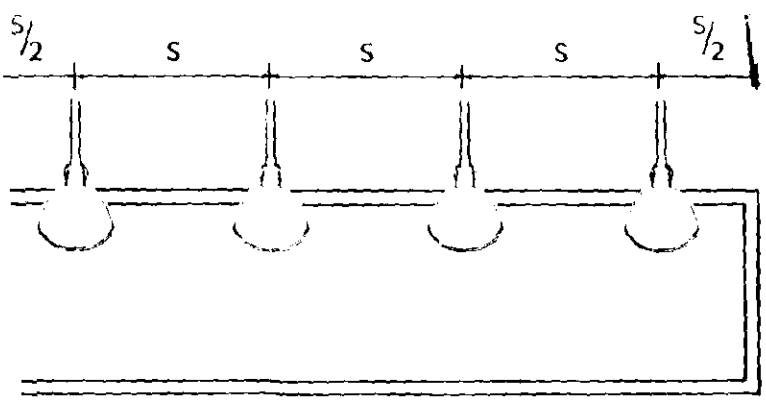

Ensign in Black. Ensign Cowl Lights are also available finished in satin black stoved enamel to the same high level of quality.
